**YOUR TRUSTED PARTNER
FOR ALL HOME SERVICES**

HELPKART.IN

INTERIOR DESIGNER SERVICES

**Live Beautifully, Designed
by HelpKart.**

Service Category	Description
Initial Consultation & Needs Assessment	Understand the client's vision, lifestyle, preferences, budget, and space requirements. Establish design goals and expectations.
Site Analysis	Assess the space for structure, lighting, flow, and existing elements. Identify opportunities and constraints for the new design.
Space Planning & Layout Design	Plan functional space arrangements including furniture layout, room zoning, and traffic flow for maximum efficiency and comfort.

HELPKART.IN

Furniture Arrangement	Optimize furniture placement for functionality, balance, and style according to space and user needs.
Defining the Aesthetic	Work with clients to establish a cohesive style direction (modern, classic, boho, etc.) for the space.
Visual Representation	Provide 2D plans, mood boards, and 3D renders to help clients visualize the final look and feel before execution.
Material & Finish Selection	Curate finishes for walls, floors, ceilings, and surfaces (e.g., paint, tiles, wood) based on durability, style, and budget.
Furniture, Lighting & Décor Selection	Suggest or source furnishings, lighting fixtures, artwork, and accessories tailored to the theme and functionality of the space.
Color Consultation	Offer expert guidance on color palettes, combinations, and psychology to enhance ambiance and personality.
Theme-based Styling	Full design around specific styles like Scandinavian, Industrial, Minimalist, Traditional, etc.

HELPKART.IN

Construction Documentation & Coordination	Create working drawings and coordinate with contractors and vendors for accurate execution on-site.
Site Supervision & Installation Oversight	Regular visits to supervise installation, check finishes, and ensure everything matches the approved design and quality standards.
Turnkey Interior Solutions	End-to-end service from concept to complete, move-in-ready space with full management of design and execution.
Home Office Design	Design ergonomic, stylish, and space-efficient home workspaces that balance focus with comfort.
Kitchen & Bath Design	Specialized planning and design of modern, functional, and aesthetic kitchens and bathrooms with optimal storage and fixtures.
Lighting Design & Automation	Design layered lighting plans with smart controls and ambient enhancements for both utility and mood.
Post-installation Support	Provide post-completion walkthroughs and minor adjustments to ensure the space meets client satisfaction.
